16 SEER AIR HANDLER

The mid-efficiency gas furnace features a multi-speed PSC motor that achieves prompt start up for reliable comfort. The blower is dynamically balanced for quiet operation so you can feel the temperature adjust in your home without excessive noise levels.

That's Napoleon.

VARIABLE SPEED TECHNOLOGY

16 SEER Models feature an EMC variable speed blower motor which is designed to accelerate and decelerate slowly. When the motor is in continuous operation, it eliminates sudden gusts of air and maintains an even temperature throughout your home, providing ideal comfort.

INSTALLATION OPTIONS

FLEXFIT FOR CONVENIENCE

Napoleon's Mid-efficient gas furnace offers zero clearance in all positions, providing installation ease in closets and alcoves with no additional kits required.
